THE TAX MAN COMETH

With the Holiday Season behind us, we can now look forward to Tax Season. Dreams of a less complicated tax structure are just that, dreams. The tax laws continue to grow more complicated. With record deficits at the national level, budget problems at state and local levels, we would be naive to think taxes will

be lower, or simpler, in the future. As you start accumulating the information necessary to file your taxes for 2011, think if you want to simplify you life by letting Lineweaver Tax Services LLC prepare your tax return for you. **Call your PSE partner Lineweaver Financial Group at 216 520-1711.**
